BARGAIN BABIES.

If babies were for sale the most inveterate bargain-hunting woman in the world would not look for a bargain baby. She would want the best baby that could be bought, regardless of price.

Every woman naturally craves a healthy, handsome child, and her craving can be gratified if she will but remember that the child's health is her own gift, and to give health she must

"My wife had been sick nearly all her life," says Mr. E. E. Frick, of Petersburg, Menard Co., Illinois, Box 367, "and after trying everything I could think of I made up my mind to try 'Favorite Prescription.' I got six bottles, which my wife took, a tablespoonful three times a day, until the baby came. She felt better after taking the first bottle, and when baby was born he weighed nine and a half pounds. Today he is six months old and weighs twenty-two pounds. He is as good a child as any one could wish. The doctor says he is as healthy as any baby could be, and also says the use of your 'Favorite Prescription' was the cause of such a healthy baby."

Beware of Ointments for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Hall's Catarrh Cure Co., Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. The revival meeting in the Methodist church at Huntsville closed Monday night of last week after a continuance of four weeks. Rev. John E. Brown, an evangelist only 23 years of age, did the preaching and Prof. Goodale did the singing. Rev. Sipple, the pastor, was very efficient in his work during the meeting. There were over 100 conversions, some of whom will unite with other churches.

The thief that stole \$200 from J. H. Hardin's drug store, in Moberly Friday night evidently took a Katy train and went south as Mr. Hardin received a letter from a man named Stack, written at Calhoun and dated Feb. 22, informing him that a safety deposit box, one end chopped in with a hatchet, and some papers bearing his (Hardin's) name were found in a stock car, loaded with horses, at Franklin Junction. The stock belonged to an Iowa man, who went into the car to see after his horses and found the articles named therein. These articles might have been put in the car at Moberly while the thief went in another direction.

A fire originated in one of the servant's rooms in the basement of Howard-Payne college at Fayette, which, for a time, seemed to threaten the destruction of the large building, but by the prompt action of the students, male and female, the flames were extinguished before a great amount of damage was done. Fully insured.

Colds are Dangerous.

How often you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency toward pneumonia. It always cures and is pleasant to take. Sold by O. B. Anderson & Son.

A couple of boys were going to DeWitt on horseback Tuesday night and riding very fast. They ran into a buggy in which Dr. Squires and Will Adkins were riding. Dr. Squires was thrown out of the buggy and received slight injuries and the driver had hard work to keep the team from running away.

Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by O. B. Anderson & Son.
